PS: I hereby wish to express that I do not agree with my claim being dismissed. My claim is based on money owed from a pay raise under laws that were enacted during the time that PRT was an agency of the government of PR. Until 1999, we were a government agency. Personally, I began in 1987 with a recommendation from the mayor at the time, Ana Goyco. At present, recommendations are not requested because it is a private company.
